

SVAAPTA IT-ALLY

— SOLUTIONS PVT. LTD. —

About “Svaapta”

- **History:** SVAAPTA IT-ALLY SOLUTIONS PVT. LTD established in 2011, formerly known as 'IT-Ally Services' is an expert IT service provider catering in quality software and web solutions across the globe.
- **Beliefs:** We believe in developing a reliable and long-lasting collaboration in order to meet the client's needs for highest quality standards, result oriented work with a mutual growth.
- **Methodology:** Our customized IT Road map for companies, helps them in streamlining the IT expenditures and maximize the ROI.
- **Vision:** To make the “IT” successful to everyone
- **Mission:** To provide innovation, timely, cost effective and reasonably bug-free solutions for both on-site and off-site services for our partners and alliances

WHY SVAAPTA?

In the current scenario, searching a right IT-Partner has become a big challenge; who are not only capable of delivering right solutions by achieving customer's vision of project, but also can help in saving time, money and efforts with a result in an increase of ROI.

“SVAAPTA” has a successful history in understanding & managing the customer's expectations well.

You may choose “SVAAPTA”:

- If you wish to match up both, the Quality as well as the Rates/Price expectations.
- If you have challenging projects / assignments to offer.
- If you look for a Secured and Agile way of working.
